

## Friday Mass Helpers 2009/2010

At St. Matthew we celebrate mass school wide every Friday at 8:10. Mass helpers meet in the classroom at 8:00. During mass, helpers assist in monitoring our little angels and model for the kindergartners what we do during the different parts of mass. Below is our schedule for mass helpers for the year. If you are unable to make your scheduled day, please let me know ASAP ☺. I will be glad to find you an alternate or please feel free to contact another person on the list to switch weeks.

**Thank you so much!!!** Lisa C.
