

A Peek at our Week

Keep it Catholic

Mrs. Yonce

January 30-Feb 3, 2012

Grade 1

What a great Catholic Schools week we had!! The children were great at the field trip today and we were so excited to end our busy week with a great musical performance!

ACADEMIC UPDATES

Religion- We were able to attend Mass two times this week! We also met with our saint families to do a service project. The children made shamrocks for soldiers. In our religion books, we talked about how Jesus teaches us to love God.

Language Arts- We worked hard this week reviewing long vowels. We also learned how important it is to make inferences while reading. The children learned about adding -er and -est when comparing words. There will not be reading A-Z coming home today because of the shortened reading time on Friday.

Math - We started a new chapter this week on measurement. Please continue to practice math flashcards at home. The children are doing well on their timed tests. After they pass 5 addition tests, they will move onto to subtractions.

WEEKLY SPELLING LIST

Week of Feb. 6-10

- | | |
|--------|----------|
| 1.ice | 6. face |
| 2.mice | 7. race |
