Topic/Unit Planner

Teacher (s): Schuett **Grade: 7th**
Subject: Math **Est. Timeframe: Late May-end of May**

Topic/sub-topics	Essential Learning	Standards	Performance Assessment	Strategies
Proportions **Major Resources:** Mathematics Course 3 worksheets	**Understandings (SWUT):** **(Students will understand that…)** How to tell if a proportion is a proportion Using cross product property and past knowledge (solving one step equations) to solve proportion **Skills (SWBAT):** **(Students will be able to…)** Identify proportions Solve proportions using cross product property	6D#1 (Stage E) 6B #5,6 6D #5 (Stage F)	Homework problems Quiz	Students will complete assignments as assigned Use prior knowledge to solve proportion
